Archangels

When it comes to Archangels, most of us have heard the names Michael, Raphael and Gabriel. But did you know that there are more Archangels? Depending on which culture you follow, there are anywhere from seven to thousands of Archangels, not to mention the name variations for the same Archangels. Since I can't talk about thousands in a newsletter, I'm going to refer to the 15 Archangels mentioned in Doreen Virtue's book "*Archangels and Ascended Masters*." Let's take a brief look and explore each of these Archangels and their roles in helping us along our journey.

Archangel Ariel (Lion or lioness of God)

Ariel oversees the healing and protection of nature, including animals, fish and birds. Ariel is also associated to the wind and oversees sprites (beings similar to faeries that are responsible for maintaining healthy bodies of water). If you feel compelled to clean up the oceans or earth's waterways, Ariel may be calling upon you for assistance. How can you tell if Ariel is around? You might begin to see lions or references to lions, or feel/hear the wind. Call upon Ariel when you need help with: Divine magic, the environment, manifestation, and protection or healing of animals (especially wild ones).

Archangel Azrael (Whom God helps)

Azrael's role is to help souls cross over into heaven at the time of their death. He provides comfort to those near death, and helps them adapt on the other side. In addition, Azrael supports grieving family and friends. He also protects those in the service industry who work with grieving individuals, so they are shielded from the pain of their clients. Call upon Azrael when you need: help comforting the dying or grieving, help crossing over a newly departed soul, and support during the grieving process.

Archangel Chamuel (He who sees or seeks God)

Chamuel is a powerful leader, overseeing a hierarchy of angels known as "Powers." These angels protect the world from negative or lower energies, turning away those who would negatively overtake the world. Chamuel is also a protector of your personal world, helping you to build strong relationships, careers, and lives that are filled with purpose. If you feel butterflies in your stomach, or pleasant tingling sensations, Chamuel is nearby. Call upon Chamuel if you need help with: your life's purpose, career, finding lost items, relationships, finding your soulmate and world peace.

Archangel Gabriel (God is my Strength)

Gabriel is known as the messenger angel, delivering important messages to Elizabeth, Mary, John the Baptist and Jesus of Nazareth. One of her roles today is to help guide prospective parents, whether it be through childbirth or

adoption. Gabriel also helps those whose life's purpose involves art or communication, providing coaching, motivation, inspiration, and overcoming fear. Call upon Gabriel when you need help with: fertility or conception, adoption, art related projects, communication, writing, television or radio work.

Archangel Haniel (Glory or grace of God)

Haniel is associated with astrology, astronomy, moon energy, and the planet Venus. Haniel helps to recover lost secrets of natural healing. She adds beauty, harmony, friendship, and grace into our lives. Haniel can help you to remain, calm, poised and centered, especially during important events. Call upon Haniel when you need: to bring poise and grace into your life, healing abilities, moon energy, and psychic abilities (especially clairvoyance).

Archangel Jeremial (Mercy of God)

Jeremial is an Archangel of prophetic visions, helping Baruch from the Bible with prophetic texts and visions. He also helps newly crossed souls review their lives. Want to take stock of your life before you pass? Call upon Jeremial to visit you in dreams so that you can make positive adjustments now to become a better, stronger person. Jeremial can also be called upon for: clairvoyant or prophetic visions, psychic dreams and their interpretation.

Archangel Jophiel (Beauty of God)

Known as the Archangel of beauty, Jophiel helps us appreciate beauty, think beautiful thoughts, and attract more beauty into our lives. She helps with artistic projects, providing ideas and energy to complete the them. Jophiel aids us in slowing down and "smelling the roses." Call upon Jophiel when you want to: think beautiful thoughts, slow down, or be involved in artistic projects or interior design.

Archangel Metatron

Metatron is only one of two Archangels that used to be a mortal man. The scholar and scribe Enoch, upon his death, was transported to heaven and transformed into Archangel Metatron. He is the youngest of the Archangels. Due to his scribe work on earth, Metatron continues this function in heaven, recording everything that happens on earth in the Akashic records. Since he was once human, he acts as an liaison between heaven and earth, helping us to better understand heaven and to learn how to work with angels. Metatron works closely with children, especially those who have spiritual gifts. He helps newly crossed children adjust to heaven, and he helps living children become focused, and accept their spiritual gifts. He is highly focused, and will encourage you to overcome procrastination in order to take the next steps forward in your life. Call upon Metatron for help with: children's issues, including finding alternative remedies for children with ADD or ADHD, organization, record keeping, writing, and spiritual understanding.

Archangel Michael (He who is like or looks like God)

He is a leader among the Archangels, and is in charge of the order of angels known as "the Virtues." One of Michael's purposes is to rid the earth and its inhabitants of fear. He is often depicted with a sword, which he uses to release fear. He works closely with humans known as "lightworkers," having them provide spiritual healings and teachings to others. When Michael is around, you may see sparkles/flashes of bright blue or purple light, or you may become hot/sweaty due to his fiery presence. If you feel lost or stuck, call upon Michael to help you find your life's purpose, and provide guidance on the next steps to take toward that purpose. He can also be called upon to help with: fixing electrical devices, courage, commitment, dedication, direction, motivation, increased self-esteem, protection, clearing of energy from a space, or releasing spirits.

Archangel Raguel (Friend of God)

His main role is to oversee all of the other Archangels, ensuring that they are working together according to Divine order and will. Raguel is known as the Archangel of Justice and Fairness, helping those who feel mistreated to

become empowered. Call upon Raguel when you need: energy, help resolving arguments, group harmony/cooperation (especially families), help defending against unfair treatment, empowerment (especially if you are the underdog), mediation disputes, and orderliness.

Archangel Raphael (God heals or has healed)

Raphael is known for his healing abilities, helping both humans and animals. He can be called for healing on behalf of someone else, however, he can only help heal them if they wish to be healed. In addition, Raphael helps guides healers with the correct remedies/ointments, but can also help healers establish their practices, bringing in clients who need their help. Known as the patron saint of travelers, Raphael helps those travel safely, including safe transportation, lodging, and even luggage details. He can assist you with your spiritual journey as well, if you seek spiritual guidance and direction. Know that Raphael is around when you see sparkles or flashes of emerald green light. Working closely with Michael, Raphael helps to exorcise negative spirits, releasing spirit attachments and clearing space. Call upon Raphael when you need to: break addictions/cravings, open your 3rd eye (clairvoyant abilities), heal physically, seek guidance on healing, find a lost pet, and protection with travel.

Archangel Raziel (Secret of God)

Because of his close work with God, Raziel knows all the secrets of the Universe, and has written them down in a book called "*The Book of the Angel Raziel*." The book is available today, but you must call upon Raziel to help decipher and understand it's meaning. If you'd like to better understand manifestation, sacred geometry, quantum physics, or other high-level information, ask Raziel for help. He can also help you open up to higher levels of psychic abilities. Call upon Raziel for assistance with: alchemy, divine magic, esoteric information, manifestation, and psychic abilities.

Archangel Sandalphon

Sandalphon is the other Archangel who lived as the mortal man, Elijah, the prophet. His main purpose it to carry the prayers of man to God, so that they may be answered. He is very gentle, and you might miss his message if you aren't paying attention. He is associated with music, so when you call upon Sandalphon, be aware, as any words or music you hear in your mind are most likely the answers to your prayers. Call upon Sandalphon when you need help with: music, sending/receiving answers to prayers, or determining the gender of your unborn baby.

Archangel Uriel (God is light, God's light or fire of God)

Uriel is known for illuminating situations and providing prophetic information and warnings. He warned Noah of the upcoming flood, and delivered the Cabala to humankind. He is credited with bringing alchemy and the ability to manifest to humans. Uriel can help you find solutions and provide insight into situations. However, he is very subtle, so you may not realize that the new idea that "popped" into your head was from him. Because of his association with Noah and the elements, he is the Archangel that aids in floods, earthquakes, fires, hurricanes, tornadoes or other natural disasters. Call upon Uriel to help avert these events, or to recover from them. Uriel can also be called upon to help with: alchemy, divine magic, problem solving, spiritual understanding, studying, and writing.

Archangel Zadkiel (The righteousness of God)

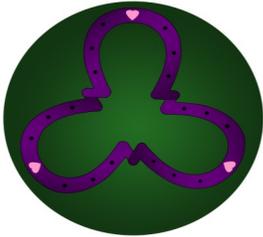

He is the Archangel associated with mercy and benevolence, and he can help you feel compassion for others, and release judgmental feelings. Zadkiel helps us see the Divine light in ourselves and others, instead of focusing on mistakes made or remaining in ego. If you are having trouble with forgiveness, ask Zadkiel for help to let go of the emotional burden. Also, call upon Zadkiel if you need help with memory or memorization. Call upon Zadkiel when you need help with: compassion, finding lost objects, forgiveness (of self and others), emotional and physical healing, studying and test taking.
